Verse 1

When your faith in perfect love
Can't explain the pain you feel
You will find you've looked for a sign up above
But He was there in the dirt where you stood
He was there in the dirt where you stood

Chorus

And there's hope found here and now, here within the real
In the midst of all we've done, all we've given up on
He was with us every step, feeling what we feel
When the soul was buried down, burdened by the long road

Interlude

D A F#m E

Verse 2

And in we will learn to grow
Through the pain and into hope
For the storms, they come and swallow up the sun
But the light lives on and on
But the light lives on and on

[Chorus]

[Interlude]

Ending
