Intro

F F Am Am Bb Bb F F

Verse

When it feels like the dark
Lingers longer than the night
When the shadows feel like giants
Are You chasing me down

Verse

Tell me where could I run
From Your light, where could I hide
Hemmed within Your precious thoughts
There's no hiding from Your love

Chorus

Highs and lows
Lord, You're with me either way it goes
Should I rise or should I fall
Even so
Lord, Your mercy is an even flow
You're too good to let me go

Verse

Should I dance on the heights
Or make my bed among the depths
Your mercy waits at every end
Like You planned it from the start

Verse

Should the dawn come with wings

Or find me far-side of the sea
 There Your hand still fastens me
 Ever closer to Your heart, ooh

Chorus

Highs and lows
 Lord, You're with me either way it goes
 Should I rise or should I fall
 Even so
 Lord, Your mercy is an even flow
 Should I rise or should I fall
 You are faithful through it all
 You're too good to let me go

Chorus

Highs and lows
 You surround me either way it goes
 Should I rise or should I fall
 Lord, You're with me through it all, ooh
 Highs and lows
 In the rhythms of Your grace I know
 Should I rise or should I fall
 You are faithful through it all
 And You're too good to let me go
