## Intro

E Emaj7 G#m G#m

## Verse 1

E  
Who are we? Some I wonder  
G#m  
Mercenaries or lovers?  
A E  
On this side of the thunder  
B  
It can be awful hard to know  
E  
Sell our love for the paycheck or  
G#m  
Spend the night on the freight deck  
A E  
For all the dues that we collect  
B  
Our hearts can be overdrawn

## Chorus

A E B  
Dead in the water, like lamb to the slaughter  
C#m B A  
If the wind doesn't sing her song  
E B  
And I'm speaking in tongues  
A E B B E  
'Cause I need a Holy Ghost

## Verse 2

E  
The geeks, they can smell when you're coming  
G#m  
Even out in the cold  
A E  
They'll wait you out, yeah, they'll grind you down  
B  
But they're gonna get what they're owed  
E  
And I know the red thread unravels  
G#m  
I know you're blue and you're black  
A E  
But there's still, if you don't mind  
B  
The way that the odds are stacked

[Chorus]
