 Intro
B   G#m E  F#

 Verse
             B                         G#m
From the beginning You've been unchanging
E
Age to age You stay
F#
Constant, You remain
       B                         G#m
Every mystery, the questions I've carried
        E
Are safe within Your will
        F#
So I trust You even still

 Chorus
         B                  G#m       F#
I believe  You are who You say You are
                              C#m
You'll do what You say You'll do
          G#m
You'll come through
         E        F#
You are always able
         B                  G#m      F#
I believe  You've already made a way
                        C#m                      G#m
So I'm running through parted waves straight to You
         E        F#
You are always faithful

 Verse
             B                   G#m
Jesus You're for me, holding me steady
E
Every word You speak
      F#
Is a promise that You keep
             B                 G#m
This firm foundation cannot be shaken
    E                           F#
My God, You never fail, never once

You never will

 Chorus
         B                  G#m       F#
```

```
I believe  You are who You say You are
                              C#m
You'll do what You say You'll do
           G#m
You'll come through
          E        F#
You are always able
          B                   G#m     F#
I believe  You've already made a way
                              C#m                    G#m
So I'm running through parted waves straight to You
          E        F#
You are always faithful, I believe

  Interlude
B   F#  G#m  E

  Bridge
        B
That on the cross Your blood was spilled
       F#
And by Your stripes I have been healed
       G#m
And every promise You've fulfilled
            E
I believe, I believe
            B
That You rose again in victory
       F#
And that same power lives in me
        G#m
I'm born again, I've been made free
            E
I believe, I believe
            B
That the gates of hell will not prevail
        F#
Your Church is still alive and well
        G#m
This gospel truth, I'll live to tell
            E
I believe, I believe
          B
That one day soon, You'll split the sky
        C#m
You're coming for a spotless bride
   B/D#
Until my faith has been made sight
            E
I believe, I believe, I believe

  Chorus
B                    G#m        F#
   You are who You say You are
                            C#m
You'll do what You say You'll do
           G#m
You'll come through
          E        F#
You are always able
          B                   G#m     F#
I believe  You've already made a way
```

```
                                  C#m                              G#m
So I'm running through parted waves straight to You
          E         F#
You are always faithful, I believe

 Interlude
B  F#           G#m E
     I believe

 Ending
      B
And on that day I've run my race
        F#
I'll finally see You face to face
      G#m
And nothing will then separate
            E
I believe, I believe
       B
I'll join with every tribe and tongue
     F#/B
And bow before the Lamb of God
           G#m
Singing, "Holy, holy, holy One"
            E
I believe, I believe
```
