```
Verse 1
                      G A/C# D E D D
              D/F#
I've come to say how much I love You
    D D/F# G A/C# D A/C#
I've come to say how much I adore You
                E G#
                                                     A/C#
                           A D/F# G2
                                                D
      Bm
Lord I'm not here to
                                about my many problems
                    complain
          E G#
                                D/F#
By Your Spirit and
                   Your grace
                       D
I'm confident You'll solve them
Chorus
          A/C# D
E G# A
                       Bm E G#
I'm here to say I love You
          A/C# G/B A/C# D
                             Bm E G#
   Α
                I adore You
I'm here to say
         A/C# Bm
                       F#m Bm
I'm here to say I love You
        G A A D A/C# Bm F#m G/B A/C#
I love to love You Lord
Verse 2
           D/F#
                     G A/C# D E D D
I love to say how much I need You
            D/F#
                 G
The longing of my heart is to please You
       Bm
              E G# A D/F# G2
                                                      A/C#
Let Your all consuming fire
                             cleanse me in Your presence
       Bm
                E G#
                             D/F#
Lord my goal and my desire
Is to serve and give You rev'rence
```
