Verse 1

Tear down these idols, and every stronghold
Tear down all judgment, and all of my pride
Tear down religion, and all my self-righteousness
I want an encounter, a real encounter

Chorus 1

I say yes, yes, yes to Your love, yes to Your freedom
I say yes, God, yes to Your heart and all of Your healing
Your ways are higher, Lord, I surrender
I come to You just as I am, and say yes, yes to Jesus

Verse 2

I come to You open, God, I am ready
For all that You promised, for all that You are
So pour out Your Spirit, pour out Your presence now
I want an encounter, a real encounter
Lord, I am desperate for real encounter
