Um, I didn't know what to expect
Walking in here by myself
I'm normally with three other hooligans
I'm so honored and grateful
To be where I'm supposed to be
Where the Spirit of the Lord is
There is freedom, there is liberty
And that's why He brought me here
And I've been asking Him
What is it that You want me to do
And it's worship
It's what I do sitting at home
It's what I do walking in the street
It's what I do everywhere
And to be around people
Who know God the way I've known Him
To be my only friend
He saved my life
I can't sing the words
Without feeling the truth that they hold
He's been my hiding place
I'm an introvert

I wanna run and hide
And He was that safety
He told me it was okay
And He told me, I love you, you're precious to Me
The first person to ever tell me that I love you
It didn't come from my family
Didn't come from my parents
It came from God
