Verse

If the Lord has brought you through the fire
Right into a wide and open space
And if the Lord delivered you from darkness
When He pulled your heart out of the grave

Chorus

Oh and if the Lord's been good to you, lift up your song
And if He saved you, healed you, then give Him your all
If you've seen His faithful hand through all of your days
And if you've got breath in your lungs, then give Him your praise

Verse

And if the Lord has met you with compassion
Though you have run after other things
And if the Lord has shown you His great mercy
And if He's overwhelmed you with His grace
