```
VERSE:
    E
A silence has been broken by the Word
       E/G#            A               B
The darkness has been lifted by the light
     C#m                        E/G#
The majesty of Heaven came to Earth
     A                            B
So humbly that we barely recognize
                               E
We're in the presence of the King

VERSE 2:
        E
The infinite incarnate in a child
       E/G#         A             B
The Savior of mankind in Mary's hands
       C#m                          E/G#
Our mighty God revealed before our eyes
      A                           B
If only we could fully understand
                               E
We're in the presence of the King

CHORUS:
               A             B
Glory in the highest, the highest
        C#m                E/G#
Oh, lift your voice and sing
               A       B
Jesus, our Messiah is with us
       C#m              B
Fall down and worship Him
                               E     A/E
We're in the presence of the King

VERSE 3:
       E
The perfect Lamb of God was born to die
        E/G#              A            B
His blood has paid the way to holy ground
       C#m                            E/G#
The veil that stood between is open wide
          A                            B
There's nothing that can separate us now

CHORUS:
                A            B
Glory in the highest, the highest
        C#m                G#m
```

```
Oh, lift your voice and sing
                A       B
Jesus, our Messiah is with us
       C#m               B
Fall down and worship Him
                                 E     A/E
We're in the presence of the King

TAG:
                                 E    A/E
We're in the presence of the King (Oh)
                                 C#m   A
We're in the presence of the King
                                 E/G#    B
We're in the presence of the King

INTERLUDE:
A   B   A   B
(Glory and majesty)

BRIDGE:
A                              B
What kind of song will you sing?
                               A
What kind of gift will you bring?
                           B
Let's give Him everything
                                A
We're in the presence of the King
                          B
And all the glory is His
                          A
And He's here in our midst
                          B
And what an honor it is
                                A
We're in the presence of the King

BRIDGE 2:
                           C#m   B
What kind of song will you sing?
                            E/G#   A
What kind of gift will you bring?
                  C#m   B
Let's give Him everything
                       E/G#
We're in the presence of the King
A
All the glory is His
      B                C#m
And He's here in our midst
                         B/D#
Oh, what an honor it is

CHORUS:
                  A           B
Glory in the highest, the highest
        C#m               G#m
Oh, lift your voice and sing
```

```
                A       B
Jesus, our Messiah is with us
       C#m              B
Fall down and worship Him
               A             B
Glory in the highest, the highest
       C#m                 G#m
Oh, lift your voice and sing
              A        B
Jesus, our Messiah is with us
       C#m              B
Fall down and worship Him
                                E     A/E
We're in the presence of the King

TAG:
                                E   A/E
We're in the presence of the King
                               C#m   A
We're in the presence of the King
               B              E
We're in the presence of the King
```
