Intro

G A Bm

Verse 1

When Your Spirit rushes in
And a holy hush falls on us again
It is so far beyond a song
It's heaven on earth

Verse 2

With our hearts surrendered here
Come and breathe on us and change the atmosphere
We are in awe of who You are
You're heaven on earth

Chorus

In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence in Your pre-sence

Verse 3

In the whisper, I can hear
That You love me and there's nothing left to fear
No greater love is found within
All of heaven and earth, heaven and earth
