Verse 1
D                    A B
I come near, Your arms are open wide,
    G2        D               A/C#
But I cannot look You in the eye.
 D                    A B
Angel's wings, they rush upon my face,
   G2      D               A/C# G
As I stand in this holy place.
                    Asus
Resounding voices, crying out to You,
   G
I lift my eyes, my head, my hands.
      A
What more can I do?

Chorus
       D             Bm9
You are holy, You are holy,
      G                            A
The whole earth is full of Your glory!
D                     Bm9
 Almighty God, You are holy,
 G       A    Bm7
Holy, holy, holy!

Verse 2
D        A B
I am a man of unclean lips,
     G2                   D               A/C#
Not worthy of one touch from Your fingertips.
     D                    A B
You come to me, burning coals lie in Your hands,
      G2               D                 A/C#
Touch to my tongue, cleanse this sinful man.
 G                         Asus
Once again Your trembling voice speaks
       G
Your desires for one's servant.
       A
Lord, here am I, send me.

Ending
D                    A B
I come near, Your arms are open wide.
