Intro 2

Look now for glad and golden hours,
Come swiftly on the wing;
O rest beside the weary load,
And hear the angels...
Sing.

Verse 1

It came upon the midnight clear,
That glorious song of old,
From angels bending near the earth
To touch their harps of gold
Peace on the earth, good will to men,
From heaven's all gracious King;
The world in solemn stillness lay
To hear the angels sing.

Verse 2

Still thro' the cloven skies they come,
With peaceful wings unfurled;
And still their heavenly music floats,
O'er all the weary world.
Above its sad and lowly plains,
They bend on hovering wing;
Still thro' the cloven skies they come,
With peaceful wings unfurled;
And still their heavenly music floats,
O'er all the weary world.

And ever o'er its Babel sounds

C D G
The blessed angels sing.
