

# Jesus Be My Savior Chords (Key of G)

by Paul Baloche - Brenton Brown and Paul Baloche

<https://worshipchords.com/jesus-be-my-savior-chords/>

## Intro

A

## Verse 1

A                      D   A                      D                      A  
I sing for my Redeemer, the Maker of the stars and sea  
A                      D                      A                      D                      E  
You looked upon my suffering and came for me  
E                      D                      A  
Rejected and despised You hung  
A                      D                      E  
Alone upon that sinner's hill  
E                      D                      A                      D                      E   E  
My Savior's hands bled for my peace and hold me still

## Chorus

E                      D   A                      E  
Jesus, be my Savior, Jesus, be my Lord  
D   A                      D   E   A  
Jesus, be my Savior, be my all in all  
A   D   A

## Verse 2

A                      D   A  
We take this sweet communion  
A                      D                      A  
Remembering the price You paid  
A                      D                      A                      D                      E  
We lift the cup of suffering exchanged for grace  
E                      D                      A  
It wasn't nails that kept Him there  
A                      D                      E  
That held our Maker's hands in place  
E                      D   A                      D                      E  
It was a love that overcame our sin and shame

[Chorus]

## Ending

D   E   A  
Be my all in all  
A   D   A                      A   A   D   A   A  
A   D   A                      D   E                      E   [ - a capella]
