Intro

Verse 1

I have walked through the valley, stood on the mountain top
I have held onto You as my treasure, my truth and my rock
I have sung with the angels and heard You speak into my heart
I'm giving myself to become more like You are.

Chorus

So keep me where the light is, I want to be where You are
Want to live for my life to find its place in Your heart
F# G#m A [ending Want to live...]

Verse 2

I have walked through the valley, stood on the mountain top
I have held onto You as my treasure, my truth and my rock
I confess there are times when I stray from the line
But I want to be true and lay everything down
'Cause what do I have in this world if I don't have You

[Chorus]

Interlude
