## Verse

In the darkness we were waiting  
Without hope without light  
Till from heaven You came running  
There was mercy in Your eyes  
To fulfill the law and prophets  
To a virgin came the Word  
From a throne of endless glory  
To a cradle in the dirt

## Chorus

Praise the Father Praise the Son  
Praise the Spirit three in one  
God of glory, Majesty  
Praise forever to the King of Kings

## Verse

To reveal the kingdom coming  
And to reconcile the lost  
To redeem the whole creation  
You did not despise the cross  
For even in Your suffering  
You saw to the other side  
Knowing this was our salvation  
Jesus for our sake You died

## Chorus

## Bridge

And the morning that You rose  
     F#                      B  
 All of heaven held it's breath  
     G#m                                      E  
 Till that stone was moved for good  
     F#                      B  
 For the Lamb had conquered death  
     G#m                                      E  
 And the dead rose from their tombs  
     F#                      B  
 And the angels stood in awe  
     G#m                                      E  
 For the souls of all who'd come  
     F#                      B  
 To the Father are restored  
     B /D#                                      E  
 And the Church of Christ was born  
     F#                      B  
 Then the Spirit lit the flame  
     B /D#                                      E  
 Now this gospel truth of old  
     F#                      B  
 Shall not kneel, shall not fade

    B /D#                                      E  
 By His blood and in His name  
     F#                      B  
 And in His freedom I am free  
     B /D#                                      E  
 For the love of Jesus Christ  
     F#                      B  
 Who has resurrected me
