First Verse

Oh, I have days I lose the fight
Try my best but just don't get it right
Well I talk a talk that I don't walk
And miss the moments right before my eyes
Somebody with a hurt that I could have helped
Somebody with a hand that I could have held
but I just can't see past myself
Lord' help me be

Chorus

A little more like mercy' a little more like grace
A little more like kindness' goodness, love, and faith
A little more like patience' a little more like peace
A little more like Jesus, a little less like me

Second Verse

Yeah, there's no denying I have changed
I've been saved from who I used to be
even at my best' I must confess
I still need help to see the way You see

but I just can't see past myself
Oh help me be
