Intro
D  G  D  G

First Verse
     D               A
Oh, I have days I lose the fight
G                             D    A G
Try my best but just don't get it right
      D                  A
Well I talk a talk that I don't walk
     G                       D   A G
And miss the moments right before my eyes
    Bm                         A
Somebody with a hurt that I could have helped
      G                         G
Somebody with a hand that I could have held
      Bm                A
but I just can't see past myself
      G
Lord' help me be

Chorus
                    D        A         G
A little more like mercy' a little more like grace
                    D            A    G
A little more like kindness' goodness, love, and faith
        A    Bm             G
A little more like patience' a little more like peace
                    D                  A G  D  A G
A little more like Jesus, a little less like me

Second Verse
            D                A
Yeah, there's no denying I have changed
G                         D    A G
I've been saved from who I used to be
D                     A
even at my best' I must confess
    G                     D    A G
I still need help to see the way You see
    Bm                         A
Somebody with a hurt that I could have helped
      G
Somebody with a hand that I could have held
    Bm                  A
but I just can't see past myself
       G
Oh   help me be

Chorus
```

```
                        D                    A          G
A little more like mercy, a little more like grace
                        D                    G
A little more like kindness, goodness, love, and faith
                        Bm                        G
A little more like patience, a little more like peace
                        D        A                  D
A little more like Jesus, a little less like me
            Bm
Oh, I Want to feed the beggar on the street
G
Love to be your hands and feet
D
Freely give what I receive
        A           A#
Oh, help me be
            Bm
I want a friendship first above all else
G
Love my neighbor as myself
D
In the moments no one sees
A                   G
Lord, help me be

One, two, three

Outro
                        Bm        Em               G
A little more like mercy, a little more like grace
E                       B                    G
A little more like kindness, goodness, love, and faith
                        Bm                        G
A little more like patience, a little more like peace
                        D        A                   D    G
A little more like Jesus, oh, a little less like me
            Bm                          G
A little more of living everything I preach
                        D                        G
A little more like Jesus, a little less like me
                        D        G  D  G  D  G  D  G
Oh, a little less like me
