Intro

D A D G D A D

Verse 1

D A D
Your weakness has you hiding in shame
Bm G
The knowledge that you're not as strong as you thought you were
Bm G
You're so afraid of what lies ahead
Bm G A
You're thinking how will you run over the hills with me

Interlude

G A2 D /F# G2 A

Pre-chorus

G A G D /F# G
Well I'm not leaving you now
G/B A /C# G
I'm still right here

Chorus

D
So let me see your face
Asus C#
Let me just hear your voice
G/B Asus C# Asus A
Let me see the one I want so near

[Interlude]

Verse 2

D A D
I see the longing under the fear
Bm G A
I see it in your heart to finish the race with Me
D A D
I know if you just say yes again
Bm G A
Together we can make the longing reality

[Interlude]

[Pre-chorus]

[Chorus]

[Chorus]

Tag

D A D
Cause I'm looking ahead, I can already see you leaning

I'm looking ahead down the road, I can already see you trusting
I'm looking ahead, I can already see you running with me
I'm looking ahead, I can already see you leaning
I'm looking ahead, I can already see you leaning
I'm looking ahead, I can already see you leaning

[Chorus]

Ending

D
