Intro

G D G C G D G

Verse 1

G D G
Your weakness has you hiding in shame
Em C
The knowledge that you're not as strong as you thought you were
Em C
You're so afraid of what lies ahead
Em C D
You're thinking how will you run over the hills with me

Interlude

C D2 G /B C2 D

Pre-chorus

C D C G /B C
Well I'm not leaving you now
C/E D /F# C
I'm still right here

Chorus

G
So let me see your face
Dsus F#
Let me just hear your voice
C/E Dsus F# Dsus D
Let me see the one I want so near

[Interlude]

Verse 2

G D G
I see the longing under the fear
Em C D
I see it in your heart to finish the race with Me
G D G
I know if you just say yes again
Em C D
Together we can make the longing reality

[Interlude]

[Pre-chorus]

[Chorus]

[Chorus]

Tag

G D G
Cause I'm looking ahead, I can already see you leaning

I'm looking ahead down the road, I can already see you trusting
I'm looking ahead, I can already see you running with me
I'm looking ahead, I can already see you leaning
I'm looking ahead, I can already see you leaning
I'm looking ahead, I can already see you leaning

[Chorus]

Ending

G
