Verse

Your Word shows how much You have loved me
Sending Love to find me, reaching to my heart
Now I see lettered love has found me
Littered red with mercy, written in Your scars, Jesus

Pre-chorus 1

So have this broken heart
And show me what Love paid for
Oh Lord let my heart beat with Yours
This lettered love is shaping my story

Chorus

All for the praise of Your Name
All for the fame of Your glory
Jesus be all that I seek
Your presence is all that I need

Bridge

Like the sun and moon, like the night and noon
Your Word is light to me, and I'll praise You
Splitting death and life, like the earth and sky
Your Word is light in me, and I'll praise You

Pre-chorus 2

Lord have this broken heart
For this broken heart is paid for
And shaped by the truth of Your Word
This lettered love has written my story

[Chorus]
