```
Intro
G      Em     C      D     D

Verse
          G                        Em           C                        D
He is the light of our salvation,    He is the hope on which our future rests
          Em                           G              C                        D
He is the rock that won't be shaken,    what we have seen, may we never for - get

Chorus
                 G                                  Em
Look at what the Lord has done, look at what the Lord has done
        C                                 D
For the world He came to save, freely gave His life away
                 G                                  Em
Look at what the Lord has done, look at what the Lord has done
         C                                  D
Cross to grave and rose again and we're a - live because He is
                 G              Em                  C             D
Look at what the Lord has done,    look at what the Lord has done

Verse
           G                           Em                C                           D
Our God is stronger than our failures,    His grace goes deeper than our sea of re - grets
          Em                         G               C                        D
Oh what a friend we have in Jesus,    what we have seen, may we never for - get

Bridge
             G                                                  Em
Only He can do the things that He has done, He's only ever good and He's only ever love
                   C                                  D
So we give all the praise to Jesus, we give all the praise to Jesus
             G                                          Em
Only He can rescue, only He can save and every time He does, we can only be amazed
                 C                                  D
We give all the praise to Jesus, we give all the praise to Jesus
```
