Verse

Lord, I come, take my life
Lord, I come, take my life
I offer it to You, a living sacrifice
By Your grace, by Your blood
By Your grace, by Your blood
I come into the Holy of Holies.

Chorus

All I want to do is dwell in Your presence,
And drink from the well that never runs dry;
All I want to see is the light of Your glory,
Just one glimpse, just one drink and my soul is satisfied.
