Intro

Verse 1

Nothing I do could ever shake You
You're never mistaken, surprised or undone
I won't resist, surrendered to this
Hands reaching up, I am loved

Chorus

Oh, Hallelujah, my heart knows the truth of
The love that has never let go
Over and over, You pull me in closer
'Til I just stop fighting and know
(I am loved)

Verse 2

You never run, You never hide
You see my worst but You don't close Your eyes
Just as I am and until I'm changed
Your kindness will keep me, I am loved

[Chorus]

[Chorus]

Bridge

Thundering over the ache of my sin
You just keep saying again and again
That nowhere I've run to and nothing I've been
Changes who You say I am

[Chorus]

Ending

E
