Intro

A G D A G D

Verse

Excuse me for a minute, but I've got a song to sing
'Might not be on-key but it's from my heart
No one else can tell it, what the Lord has done for me
This might take all-day, so, I better start right now

Chorus

And it might get loud, it might get loud
Heaven's coming down, down, down
And it might get loud, it might get loud
Heaven's coming down, down, down
And it might get loud

Verse

I don't have a halo, no, I'm not a perfect man
I'm just glad to be a child of God
'Cause when I think of where I could've been
Should've been, would've been if He hadn't stepped in
I've got a praise on the inside that can't be denied
And I gotta get it out right now

Chorus

 Heaven's coming down, down, down ^D
 And it might get loud ^A
