Verse 1

C5 **G#**
There is something more.
Fsus2 **G#** **C5** **G#**
Hello, we're going down the hallway to the door.
Fsus2 **G#**
We know there's something more.
C5 **G#**
Our soul has a got a hole.
Fsus2 **G#** **C5** **G#** **Fsus** **G#**
We know, but what's it waiting for?
C5 **G#** **Fsus2** **G#**
Scattered in the street like dreams and gasoline,
C5 **G#**
The things we wanna be
Fsus2 **G#**
Are scattered in the street.
C5 **G#**
And if we're coming clean,
Fsus2 **G#** **C5** **G#** **Fsus2** **G#**
We seem to know we're incomplete.

Chorus

C **Fm**
How do we feel? How de we feel?
C **G#** **A#**
My generation is aching for real.
C **Fm**
Dying for love, crying for truth,
C **G#** **A#**
My generation is aching for You.

Verse 2

C5 **G#** **Fsus2** **G#**
A country of our own is all we're asking for.
C5 **G#**
A place to call our home,
Fsus2 **G#** **C5** **G#**
A country of our own. We know it must be close;
Fsus2 **G#**
Our souls are searching
C5 **G#** **Fsus2** **G#**
Through the cold, the cold, the cold.
