Intro
Dm   Bb  F
Dm   Bb  F

Verse 1
Dm                        Bb           F
Who alone can enter on his own accord?
Dm                         Bb                   F
Who among you can ascend the hill of the Lord?
     Dm                           Bb              F
It’s not by my own merit I inherit all that’s Yours
Dm                      Bb              F
Who alone can enter on his own accord?

Verse 2
Dm                               Bb      F
Who can lead the prideful to repentance?
        Dm                                    Bb  F
And prompt the sinners heart to quiet prayer
Dm                          Bb              F
Even when I’m sorry and I’ve turned the other way
Dm                          Bb       F
Even then Your kindness led me there

Pre-Chorus
  C      Dm              Bb
I need You even to need You
