C    C    G      Am    Am    Dm
C    C    G      Am    Am    F

Verse
      F       C       G      Am
You called out into darkness,
      F       C       G      Am
You reached down to save us

Pre-chorus
     Dm           C
You conquered the grave, You crossed the divide
G            Am
Lost in our sin, You made us alive
F          C                      Em G       Am
How can we ever hold it inside, we can't hold back

Chorus
              F         C
 We're gonna lift You  Higher, higher
Am            F            C
Hearts burning bright like a fire, fire
Am      F            C
Voices unite make it louder, louder
Am                 F      C
 We're never gonna stop singing
            Am                  F      C
        Ooh We're never gonna stop singing
            Am                  F
        Ooh We're never gonna stop
        Am                  F     C      G
        Ooh We're never gonna stop singing

Interlude
 C    C    G      Am    Am    Dm

Verse
Dm  C             G          Am
Set free, no longer bound in chains
     F       C    Em         Am
You rescued me and called me by name

 Pre-chorus

 Chorus

Interlude
 C    Am    F      C    Am    F

Bridge
C                    Am           F           C
 Every tribe, every tongue, every heart will sing
                     Am        F      C
```

```
Every knee we will bow to the Risen King
                            Am
Lift Him up, lift Him up
                      F        C
We're never gonna stop singing
Am                        F
Ooh we're never gonna stop
```

  Chorus
