Verse

Stir in me a love that's deep
A love that's wide, a love that's sweet
And help me, Lord to never keep it to myself
And if my heart should dimly burn
And my feet should fail to run
Call my name and I will come right back to You

Chorus

'Cause there's no fear in love

[Verse]

[Chorus]

[Chorus]

Interlude

C#m7 E/G# A

Ending

I wanna stay close to You, it's really that simple
I wanna stay close to You, just as simple as this song
I wanna stay close to You, it's really that simple
I wanna stay close to You, my whole life long
