Verse 1

When I was guilty, caught red handed
Justice demanded pay for my sin
Before the Father, Your blood, my pardon
Cried out from Calvary, take me, not him

Because Your blood spoke
I am not guilty
'Cause Your blood flows
I am not guilty
'Cause Your blood still holds
I am not guilty
Even though I should be
I am not guilty

There's still a fountain that flows with mercy
It's crimson waters wash every stain
Forgiveness runs in streams of freedom
To all the thirsty that call His name
