Verse 1
B  C#   G#m C# F#                  B  C#    G#m F# F#
O, broken  Lamb of God, it was for me He died,
           A#m7               B          F# C# C#
For all my sin and shame, my Lord was crucified;
     F#  /A#        B  C# D#m     G# /C     C#sus   C# C# B F# /A#
But, through His brokenness, I am made whole again,
     B     F# C#        C#               G#m F#   F#
And I see loveliness in Christ, the broken Lamb.

Verse 2
B  C#          G#m C# F#                B  C#     G#m F# F#
The stripes up - on His back, the thorns upon His brow,
           A#m7              B          F# C#     C#
Because He suffered then, I can know healing now;
   F#  /A#   B C#  D#m        G# /C      C#sus  C# C# B F# /A#
It was an awful price, yet, He paid willingly,
     B       F# C#        C#              G#m F#    F#
He gave His sinless life to purchase life for me.

Chorus 1
          C#sus C# /F          G#m F# F#
The Lamb of God    became the sacrifice,
          C#sus C# /F          G#m F#    F#
It was my debt,  and still He paid the price

      C# /F D#m G# /C         C#sus C# C# B F# /A#
For every  sin   and all iniquity;
     B        F# C#           C#           G#m F#   F# G#m7 F# /A#
The precious Lamb of God was broken for you and me,
     B        F# C#           C#sus C#    G#m F#    F#
The precious Lamb of God was broken for you and me.

       C# /F D#m  G# /C          C#sus  C# C# B F# /A#
And now He  reigns  as King, victoriously,
     B        F# C#       C#               G#m F#   F# G#m7 F# /A#
The Lamb of God bought eternal life for you and me.

Verse 3
     B C# G#m C# F#                  B C#     G#m F# F#
They took Him  from the cross and laid Him in a tomb,
              A#m7
Their hope seemed all but lost,
       B          F# C#         C#
Their hearts were filled with gloom;
    F# /A#  B  C#  D#m      G# /C     C#sus  C# C# B F# /A#
But early Sunday morn, He rose triumphantly,
     B        F# C#          C#          G#m F# F#
And purchased for all men the hope to live eternally.

Chorus 2
          C#sus C# /F          G#m F#    F#
The Lamb of God    became the Lord of Lords,
```

```
          C#sus C# /F             G#m F# F#
And He will reign  as King forevermore;
      C# /F    D#m G# /C           C#sus     C# C# B F# /A#
He conquered death and now He holds the key,
    B       F# C#         C#               G#m F#    F#
The Lamb of God bought eternal life for you and me.

Ending
    B       F# C#         C#             F# C# G#m F#    F#
The Lamb of God bought eternal life for you and me.
