## First Verse

D A F#m E E  
I don't see anything wrong with the lights or stages

I even love it when the crowd gets loud singing out God's praises  
D A F#m E E  
But every now and then, it can get a little complicated  
D A F#m E E  
So I remember when I was in that old church basement, singing

## Chorus

D A E F#m  
Hallelujah is all I need  
D A E A  
When I think of Your goodness and Your love for me  
D A E F#m  
Oh, the joy of my salvation, is coming back to me  
Bm A D E A  
It's just an old hallelujah with a new melody

## After The Chorus

D A E A

Oh-oh, oh-oh

D A F#m E E  
We got together every Wednesday night, about thirty teenagers

My friend Josh bought a cheap guitar and barely knew how to play it

He wasn't putting on a show, wasn't well known, wasn't trying to be famous  
D A F#m E E  
But we sure touched Heaven in that old church basement
