```
Intro
B            F# /A#         D#m         C#

Verse 1
            B                       F# /A#              D#m              C#
In the be - ginning, You were the promise, One with the Father, born as a man
              B                F# /A#            D#m                C#
For our for - giveness, freely You offered to go to the altar and die as the Lamb

Chorus
          F#             B     F#        D#m           C#    C#
You are the one true God, Je - sus, forever lifted high, Je - sus
       F# /A#          B                C#            D#m
No one stronger, no one greater, who could ever stand a - gainst
            B           F# /A#    C#    F#
You are the one true God     oh Je - sus

Verse 2
           B                        F# /A#                D#m               C#
C#
Into the darkness, light of heaven de - scended, three days of silence, You said    to wait
              B                F# /A#          D#m                       C#
C#
For Your resur - rection, seal of sal - vation, You over - came and rolled that stone    away

Bridge
    B                                    C#
One day we'll hear the trumpets sound, we'll see Him riding on the clouds
    D#m                       C#
And every eye will see and know the Lord
    B                            C#
The skies will open like a scroll, His eyes like fire, hair like wool
    D#m                         C#
And on the earth the King will make His throne
B                             C#
Light the lamps, prepare the way and welcome Him with shouts of praise
D#m                    C#
Glory to the only King of     kings
     B                          C#
Be - hold the Lion and the Lamb, Son  of God, the great I Am
    D#m                        C#
The One who was and evermore will be

Tag 2x
          D#m                        C#
You are the One who was and evermore will be
