Gm D# F A#
Along this path of sorrow, along this winding road

I find myself travelling where sorrow is unknown

And chaos clls to chaos, below the waterfalls

D# A# F A#
And all Your waves crash over me, I'm crushed beneath it all

But I know, I know You remain the same

Gm D# F A#
Even in, even in my wandering

Verse 2

Gm D# F A#
Somes I often wonder if You ever let me down

D# Gm F
Why does it seem I walk alone where trouble finds me out

Gm D# F A#
But sorrow is my company, I fix my eyes on You

D# A# F A#
Soon again I'll praise Your name and feel my soul renewed

[Chorus]

A trav'ler never reaches that sacred place alone

A light to always guide you along the narrow road

Although my flesh will falter, my hope is in the Lord
