

Perfect Father Chords (Key of G)

by REVERE, Aaron Lindsey - Aaron Lindsey

<https://worshipchords.com/perfect-father-chords/>

Verse

G **Gaug**
My soul is fractured and I know that it is
C **C**
Because I've been holding the weight
G **Gaug**
The weight of my burdens that I should've left
C **C**
At Your feet in Your presence that day
G/B **E**
Carrying more than I have to
C **C**
Because of a false sense of responsibility
G **Gaug**
But You tell me, child, come and sit for a while
C **C**
But I find myself far too busy

Pre-chorus

Em **Am**
But I can't afford to ignore it
Em **C**
Every mistake, God, I own it
G/B **Am** **G** **D**
I need my Father to hold me now

Chorus

G **Em**
You wipe away my tears
Am **Dsus**
You give me hope for fear
Bm **E** **E**
You are the perfect Fath - - er
Am **C** **D**
And I need You
G **Em**
You take away my pain
Am **F#m**
You help me smile again
Bm **E** **E**
You are the perfect Fath - - er
Am **C** **D**
And I love You
G
Daddy, I do

Verse

G **Gaug**
I measured myself with the standard of wealth
C **C**
That just makes me feel far worse and worse

G Gaug
 Looking alive, but still screaming inside
 C C
 Because what I experienced hurt
 G/B Gaug
 And people depend on their really strong friend
 C C
 But I can't seem to find one for me
 G Gaug
 But You look and smile and say, stay for a while
 C C
 But again, I'm just far too busy

Pre-chorus

Em Am/C#
 I can't afford to ignore it
 Em D C
 I pour out my soul in this moment
 G/B Am G D/F#
 Only a Father can help me now

Chorus

Interlude

G Dm/G C Cm

Bridge

G Dm/G
 Father, I stretch my hands to You
 C Cm
 No other help I know
 G Dm/G
 You are the one that I run to
 C Cm
 Where else can I go
 G Dm/G
 Father, I stretch my hands to You
 C Cm
 No other help I know
 G Dm/G
 You hold me close and You promise
 B Bm/ E
 You'll never let me go
 Tag
 G/D Dm/G
 You'll never let me go
 C Cm
 You'll never let me go

Interlude

G G C F
 G E C F

Ending

Bm E E
 You are the perfect Fath - - er
 Am C D/F#
 And I love You
 G
 Daddy, I do
