## Bridge

spoken

I'll never be the same, my heart's forever changed  
I know the old me is over and buried in the grave  
I don't care what they say 'cause, I'll never be ashamed of  
His love that saved me 0, the type that's never fading

## Pre-chorus

So now throw up your hands  
If you know Him, then go 'head and call up your friends  
'Cause we out here on a Friday where it began  
And if you owe it all to Jesus, go do your dance
