Bridge

spoken

I'll never be the same, my heart's forever changed
I know the old me is over and buried in the grave
I don't care what they say 'cause, I'll never be ashamed of
His love that saved me 0, the type that's never fading

Pre-chorus

So now throw up your hands
If you know Him, then go 'head and call up your friends
'Cause we out here on a Friday where it began
And if you owe it all to Jesus, go do your dance
