Intro

G

Verse 1

Through every changing moment, find me at Your throne
In every shifting season, find this heart bowed down
Through every stormy tempest and every circumstance
When life is at its brightest or when shadows gather round

Pre-chorus

Let me find my way to the place of praise

Chorus

I will not bring that which costs me nothing
I will not bring that which costs me nothing
If the highest praise is a sacrifice
And the greatest song is to give my life then

I will not bring that which costs me nothing

I will not bring, I will not bring
I will not bring that which costs me nothing

Verse 2

When everything is easy, any heart can sing
But our deepest cry of worship will be heard within the flame
So I'm breaking through the silence to bring this broken song
And You'll hear my praises rising, rising forevermore

Chorus

Bridge

And I'll find my way to the place of praise again
Lord, I'll find my way to the place of praise again

I will find my way to the place of praise again
God, I'll find my way to the place of praise again

Chorus
