Chorus

C **CFC** **CGGAm** **AmGF** **CGG** **C**
Praise Him, praise Him, praise Him, praise Him;

Verse 1

C **G** **F** **CCB**
We have assembled to praise the One we love,
Am **Em** **Dm7** **GsusG**
We join the chorus of angels up above;
C **G** **F** **CCB**
They sing hosannas and their praises to our King.
Am **Em** **Dm7** **GsusG**
So, we join our voices, all together now and sing.

Verse 2

C **G** **F** **CCB**
We are Your children, we've come to seek Your face,
Am **Em** **Dm7** **GsusG**
We have come boldly before the throne of grace;
C **G** **F** **CCB**
To love and worship You and listen to Your voice,
Am **Em** **Dm7** **GsusG**
You are our Father, and how our hearts rejoice.
