Verse 1

When the pieces seem too shattered to gather off the floor
And all that seems to matter is that I don't feel You anymore
No, I don't feel You anymore

Chorus

I need a reason to sing, I need a reason to sing
I need to know that You're still holding
The whole world in Your hands
I need a reason to sing
And I need a reason to sing
And that is a reason to sing

Verse 2

When I'm overcome by fear
And I hate every - thing I know
If this waiting lasts forever
I'm afraid I might let go
I'm afraid I might let go

[Chorus]

Bridge

Will there be victory, will You sing it over me now
Your peace is the melody, will You sing it over me now
Will there be victory, will You sing it over me now
Your peace is the melody, will You sing it over me now

[Chorus]
