Intro
E          Bm          A          F#m

Verse 1
E                      Bm                    A
  In the dark and all alone, growing comfortable
           F#m                                E
Are you too scared to move, and walk out of this tomb
         Bm                     A
Buried underneath, the lies that you believed
             F#m
Safe and sound, stuck in the ground
               D
Too lost to be found

Pre-Chorus
        A       E            D       A
You're just asleep, and it's time to leave

Chorus
           E                          Bm
Come on and rise up, take a breath, you're alive now
                 A
Can't you hear the voice of Jesus calling us
F#m
Out from the grave like Lazarus
         E                            Bm
You're brand new, the power of death couldn't hold you
               A
Can't you hear the voice of Jesus calling us
F#m
Out from the grave like Lazarus
E       Bm        A
Rise up, rise up, rise up
F#m
Out from the grave like Lazarus

Verse 2
E                    Bm                        A
  When He said your name, the thing that filled your veins
                         F#m                         E
Was more than blood, it's the kind of love that washes sin away
               Bm                      A
Now the door is open wide, the stones been rolled aside
          F#m
The old is gone, the Light has come so

Chorus 2
           E                          Bm
