Verse 1

I've been through the drought of summer

Weathered winter snow

Winds of change have bent me, still, I never broke

I've been set down by the river, anchored by the shore

I drink deep of the water

'Cause my strength is from the Lord

Pre-chorus

So let the rain fall, let the wind blow

The more that comes down, the stronger I grow

Chorus

I've got roots, I've got roots

And I'm standing on the truth

And it's You, and it's You

I'm holding on to, holding on to

Deep down in the ground, firmly planted, safe and sound

And I can't be moved, in You, (oh) I've got roots

Verse 2

I live above the surface, I can't see under the earth

But the fruit that I'll be reaping

Starts its life beneath the dirt

So I hang on to Your promise that there will be a harvest

'Cause You are always faithful

You finish what You started

Chorus
