You're the One Who's always running down my road  
You're the One Who's always running down my road  
Covering me with affection and clothing me in mercy  
We cannot outrun Your love, we cannot outrun Your love  
You're the One that's always running  
You're always running, You're always running  
Covering me in affection and clothing me in mercy  
We drink it in, we drink it in, we drink it in  
It's not one time, not two times, not a hundred times  
It's thousands and thousands and thousands

And thousands and thousands of times, we drink it in  
We let the weight of Your mercy cover us from head to toe  
We let the weight of Your mercy, let it wash us  
Let it wash away the shame and the filth  
You cover us in Your affection  
And You surround us in Your mercy  
And we drink it in, we drink it in, we drink it in  
There's no anger in Your eyes, there's no anger in Your eyes  
There's no anger in Your eyes, there's no anger in Your eyes  
Drink in Your mercy, drink in Your mercy  
You call me beloved, You call me beloved  
You call me beloved, You call me beloved  
You call me beloved, You call me beloved  
We choose to believe it, God, we choose to believe it  
Choose to believe it
