Intro

G G G G

Verse

Death defeated, eyes are opened, Jesus risen as He spoke it
Promise keeper, paid our ransom
Oh, to set us free, yes, to set us free

Verse

The old is gone now, left behind, a new creation sanctified
Signs and wonders testify
To the power of Christ, to the power of Christ

Chorus

The same power that conquered the grave
The same spirit that broke all my chains
From death to life, is alive, is alive in me
The same mercy that's new everyday
The same spirit that calls me by name
From death to life, is alive, is alive in me
