## Intro

D D/F# G

## Verse

If I had only known the would be the  
I would have put off all the things I had to do  
I would have stayed a little longer, held on a little tighter  
Now what I'd give for one more day with you

## Verse

'Cause there's a wound here in my heart where something's missing  
And they tell me that it's gonna heal with time  
But I know you're in a place where all your wounds have been erased  
And knowing yours are healed is healing mine

## Chorus

The only scars in Heaven, they won't belong to me and you  
There'll be no such thing as broken and all the old will be made new  
And the thought that makes me smile now even as the tears fall down  
Is that the only scars in Heaven are on the Hands that hold you now

## Intro

I know the road you walked was anything but easy

You've fought your fight and your race is run  
The pain is all a million miles away
