Intro

G

Verse 1

Like the frost on a rose, winter comes for us all

Oh how nature acquaints us, with the nature of

patience

Like a seed in the snow, I've been buried to grow

For Your promise is loyal, from seed to sequoia

Pre-chorus

(And) I know

Chorus

Though the winter is long even richer

The harvest it brings

Though my waiting prolongs even greater

Your promise for me like a seed

I believe that my season will come

Verse 2

Lord I think of Your love, like the low winter sun

And as I gaze I am blinded, in the light of Your

brightness

And like a fire to the snow, I'm renewed in Your warmth

Melt the ice of this wild soul, 'til the barren is

beautiful

Pre-Chorus

Chorus

I can see the promise,

I can see the future

You're the God of seasons

If all I know of harvest is that
it's worth my patience
