Chorus

Take the shackles off my feet so I can dance
I just wanna praise you I just wanna praise you
You broke the chains now I can lift my hands
And I'm gonna praise you I'm gonna praise you

Verse 1

In the corners of mind
I just can't seem to find a reason to believe
That I can break free
Cause you see I have been down for so long
Feel like the hope is gone
But as I lift my hands, I understand
That I should praise you through my circumstance

Chorus

Take the shackles off my feet so I can dance
I just wanna praise you I just wanna praise you
You broke the chains now I can lift my hands
And I'm gonna praise you I'm gonna praise you

Everything that could go wrong
All went wrong at one time
So much pressure fell on me
I thought I was gonna lose my mind
But I know you wanna see
