Verse 1

B B7
I just wanna stay in the shadow of Your love
E/G# Em G
And never leave, no matter where it goes
B B7
I don't wanna lift my feet from solid ground
E/G# Em G
Or miss Your voice, forget how it sounds
B F#sus B
I just wanna stay in the shadow of Your love

Verse 2

B B7
I just wanna go, where I'm supposed to go
E/G# Em G
No matter what that means, or where it leads
B B7
I just wanna see what lies in front of me
E/G# Em G
Seems that's not Your way so I must walk by faith
B F#sus B
As long as I can stay in the shadow of Your love

Chorus

E B B7
When I call, don't You always rescue me
E Em B
When I fall, You always carry me
F#sus F# B
Into the shadow of Your love

Verse 3

B B7
I don't wanna live, the way I used to live
E/G# Em G
How I couldn't see all You've done for me
B B7
Now I just wanna sing, Heaven's melodies
E/G# Em G
And lift my voice no matter what life brings
B F#sus B
I just wanna stay in the shadow of Your love

[Chorus]
