Intro

Emaj9

Chorus

E        B                C#m  
Light up the way of Your heart  
A                                E  
Move me like You do the mountains  
B                                C#m    A  
Move me like You do the wind  
E                B                C#m  
And I chase Your voice through the dark  
A                                E  
Fix my eyes on the unexpected  
B                                C#m  
In the wonder of Your shadow step  
A  
So take another step

Interlude

Emaj9    B    C#m7    A

Verse 1

E                B                        C#m    A  
You met me at the sinner's table  
E                B                        C#m                A  
I found You waiting by the well, unexpected  
C#m                A                B    C#m                A                B  
You were always there, tracing all my steps

Chorus

Interlude

Verse 2

E                B                        C#m    A  
You never left the lost forsaken  
E                B                        C#m                A  
Your mercy paves the road ahead, unexpected  
C#m                A                B    C#m                A                B  
You were always good, You were always good

Chorus

Bridge

E    B                C#m                        A  
And I won't be afraid, in every way, You never fail  
E    B    C#m                A  
So have Your way here, God  
E    B                        C#m  
And I'll sing a praise, fix my heart to Yours  
A                                E                B                                C#m

Ready for the unexpected, ready for what You'll do next

A F#m C#m B

I can't explain Your heart, or dare to trace out all You are

A F#m

When I think about the road You took for love

C#m B

I knew Your grace was sustained the path

Chorus

Bridge

Ending

A E

So take another step
