## Intro

C F/C C F/C

## Verse

C F/C  
The best me is unafraid

When I'm deeply aware of the love

And the best you is honest  
C  
When I finally start to believe  
F/C  
In the promise You promised  
Dm C G  
And maybe, somewhere deep inside  
Dm C G  
Under the fake me, underneath my pride  
Dm C G  
Is more than a daydream where I finally find  
Am F  
The missing piece that I've been looking for

## Chorus

G C F  
Where you and I, as different as snowflakes  
C G  
Side-by-side, start to melt into something  
Am F C/E G  
You and I, we'll find the ocean we come from, woah-oh-oh  
C F  
Where you and I, like a symphony ringing  
C G  
Side-by-side, my drums and your singing  
Am F C/E G/D  
You and I, we'll find the ocean we come from, woah-oh-oh
