```
Intro
E A2 C# E A2 C#

Verse 1
E              Bsus        A/C#        E
All I have to offer is my heart laid bare
E                   Bsus         A/C#       E
All that I can bring   You is my life laid down
                       A2 F#        A2
But it's just a simple token of my love for You
               E
My precious King

Verse 2
    E              Bsus         A/C#    E
In awe I bow before  You giving all I have
E                  Bsus    A/C#     E
Kneeling at Your feet I submit to You
                       A2 F#        A2
But it's just a simple token of my love for You
               E
My precious King
                       A2 F#        A2
But it's just a simple token of my love for You
               E
My precious King

Chorus
E      A2 F#     E/G#     A2
All to You and so   much more
      E   A2 F#    A2
I long to lay  before Your throne
E      A2 F#      E/G#   A2
All to You  and so much more
       A2 F#          A2                      E
How could it be enough to fully say I love You
A2 C# E A2 C#
